

THE GAP STATE HIGH SCHOOL

The Gap Experience

THURSDAY
18 APRIL 2024
3:30PM-6:30PM

Learners who flourish

WELCOME

Welcome to The Gap State High School Open Day.

Choosing the right school for your child is one of the most important decisions parents, grandparents / carers have to make.

During today's open event we hope to answer many of your questions and make the choice that little bit easier.

At The Gap State High School we do things a little differently, and offer an immersive Open Day experience. Throughout the evening students and teachers will be demonstrating classroom activities and you will have the opportunity to interact with them.

At The Gap SHS we believe in "Learners Who Flourish."

The term "learners" encompasses all of us. Our students, teachers, non-teaching staff, parents and community members. We view The Gap SHS as a learning hub for our suburb and catchment area and our goal is to develop lifelong learning for all.

The enrolment of your young person at The Gap State High School is special to us and we aim to provide a range of learning experiences and opportunities to enable your young person to develop and grow during their time at school.

The school has a history of consistently high Academic Achievement, which you will be able to hear about today. This includes unique programs including: an Academic Honours program, Accelerated Music Program, Elite Volleyball Program, Applied Positive Psychology, supported by extensive camp and adventure / international travel opportunities.

Please ask our students and staff any questions you may have.

We hope you enjoy the evening and experience The Gap Community.

Mrs Anne McLauchlan
Executive Principal
